

Smart and Skilled Code of Practice

Australian Forklift Training has adopted the following Code of Practice for all student/trainees enrolled under Smart and Skilled programs:

Training and Assessment Standards

We have training staff with required qualifications and experience to deliver training and assessment services relevant to the qualifications we offer.

Assessment will meet all of the National Assessment Principles (including Recognition for Prior Learning and Credit Transfer). Adequate facilities, equipment and training materials will be utilized to ensure the training environment is conducive to the success of learners.

Full details under this Code of Practice will be supplied to students upon enrolment.
